A positive dental experience in a comfortable, health-conscious environment

We were finally given authorization to reopen the practice and are very excited to let you know we will be welcoming our patients back on Tuesday, May 26th! If you currently have a hygiene appointment scheduled from May 26-May 29th, we will be contacting you directly to review possible schedule changes. Otherwise, we will be contacting everyone as soon as possible to reschedule all missed appointments from the closure, and we do appreciate your patience as we work through this!

As we stated in our last email, we are taking extra measures of precaution to protect all our patients and team with additional protocols which you will notice from the confirmation of your appointment through the entirety of your visit.

As a reminder:

- Our office will communicate with you beforehand to ask some screening questions. You will be asked those same questions again when you are in the office prior to your appointment
- Anyone with a cough or fever will not be allowed in the building and should stay home. We will be happy to reschedule your appointment for a later date
- We ask that you please use the restroom at home prior to arriving at the office
- We have hand sanitizer that we will ask you to use when you enter the office, and we are requesting you sanitize your hands before re-entering the business areas after your appointment. You will also find some in the reception area and other places in the office for you to use as needed
- Face coverings are required, please bring yours and wear it while in the office except while seated in the treatment chair
- You may see that our waiting room will no longer offer magazines, children's toys and so forth, since those items are difficult to clean and disinfect
- Appointments will be managed to allow for social distancing between patients. That might mean that you are offered fewer options for scheduling your appointment
- We ask that you limit the number of companions to the appointment to only those who are essential in order to limit the total number of people in the office
- We will do our best to allow greater time between patients to reduce waiting times for you, as well as to reduce the number of patients in the reception area at any one time
- When you arrive for your appointment, instead of entering the office as usual, we ask that you

LISCIODENTAL

A positive dental experience in a comfortable, health-conscious environment

simply give us a call upon your arrival, and we will let you know when we are ready for you to complete the registration process and to seat you in your personal operator

- We ask that you inform us if you develop any symptoms, or are diagnosed with COVID-19 within 14 days of any visit at our office

This is an ever-evolving situation, and as things change, our procedures will adapt and change to ensure the safety of all patients, doctors, and staff. We look forward to seeing you again and are happy to answer any questions you may have about the steps we take to keep you, and every patient, safe in our practice. To make an appointment, please call our office at (802) 658-4873 or visit our website at www.lisciodental.com. Thank you for your trust!

In Health,

Dr. Liscio, Dr. Maier and Staff at Liscio Dental
